

NO KNOCKING

FROM

THE

M N A

MNA/NNU staffers might start coming to your **HOMES**.

- **Yes**, even during a pandemic!
- These are **paid staff organizers** from around the state and maybe even California, not healthcare members from UMPNC.
- **Yes**, they are using your dues money to pay these staffers to do this!
- **No**, you do not have to let them in your house.

They are so worried about losing their \$4.3 million that they are going to start showing up on your family's doorstep.

While we hope that they would follow proper precautions during a pandemic, if you do not want them there, place this sign visible from your door to let them know!

Wear your UMPNC sticker in support of the upcoming election! Vote **YES** for an independent UMPNC! Sign your UMPNC membership application here!
