

UMPNC INDEPENDENT UNION

**UMPNC INDEPENDENT UNION AND THE UNIVERSITY
AGREE, THERE SHOULD BE AN ELECTION NOW!**

On May 13th, UMPNC Independent union, the University, and MNA/NNU had a conference with the MERC Administrative Law Judge. The Judge said it was in all parties' interest, and most importantly in the nurses' interest, to have a prompt election and outlined a proposed agreement to all parties, which would bring a speedy election.

As of now, both UMPNC Independent union and the University have told MERC that we agree with the Judge's suggested terms to a speedy election. **UMPNC Independent union is willing to make its suggested compromises to bring a resolution to this issue.**

Now we are just waiting on MNA/NNU to submit their answer.

So MNA/NNU...

ARE WE GOING TO HAVE A QUICK ELECTION?!?
