

## **UMPNC NEWSBRIEF**

**June 8, 2011**

We have continued bargaining over the last two weeks with our primary focus on staffing, scheduling and workload review committees. Good progress was made, last week, on staffing, but more work needs to be done on workload review committees and professional practice, this week.

We also had several presentations on health insurance benefits, retiree health benefits and UMHS wages compared to the labor market. More information on those issues will be shared at the upcoming membership meeting and in next week's newsletter.

Please join us for the membership meeting on Tuesday, June 14 from 7am-8:30am in UH Dining Rooms A&B or from 6pm-8pm in the MCHC Auditorium.
